

Finish Dozer Operator – Project-Based

Build More Than Just A Career

Our people are our success. They are also adventure-seekers and difference-makers who are committed to a shared vision – to offer the best of the best in project delivery services. When you join ONEC, you join a community that seeks to help you build more than just a career. You will build working relationships and partnerships that become friendships, build ideas that become realities and build skills that help you grow personally and professionally. We want you to love what you do so that together we can do great things.

About ONEC

ONEC Group has been building projects in Western Canada for over 20 years. As an EPC and EPCM provider, our services include multidisciplinary project services including project & construction management, engineering & design, procurement & logistics, geomatics & survey, fabrication & construction, mechanical & electrical installation, and scaffolding & insulation. We are the only mid-sized firm in our industry that offers this collective expertise under one roof. Because of our company's size, clients get to know our team and always work with the same people, resulting in stronger working relationships and efficiency. We are agile in our approach to project delivery because we are able to pivot quickly and adjust our standard processes to suit specific clients' needs. ONEC believes in local leadership and we engage top talent from the communities we work in. We understand that local knowledge and presence are key to not only our overall business success but the economic success of the communities we work in.

Position Summary

We are seeking a Heavy Equipment Operator to operate Dozers (D6) on an access road project site in Inuvik, NWT. The successful candidate will report to the Site Foreman.

Other responsibilities include:

- Operating and maintaining the dozer in a safe and competent manner.
- Carrying out minor maintenance and inspection.
- Operating dozer controls to regulate height and angle of the blade.
- Moving over surfaces to raise or lower terrain as specified by the superintendent.
- Following marks on grade stakes or hand signals.
- Leveling soil, rock, and debris.
- Demonstrating clear understanding of roadway plans, drawings, and grades.
- Following instruction and collaborating with others to complete tasks.
- Perform other related duties as required.

Our Ideal Candidate

- Must have minimum 3-5 years with sloping and leveling (finish work).
- Must have 5 years of experience as a Dozer Operator
- Experience operating on commercial and industrial projects
- Gradesman experience is considered an asset
- Must have valid CSTS 2020, WHMIS 2015, and Ground Disturbance.

Application Instructions

ONEC Group is an equal opportunity employer. Positions are filled by means of open competition where the selection is based on job-related skills, training, experience, and suitability. Final candidates will be asked to provide references. The results of the reference check must be acceptable to ONEC Group. We also consider different experience levels and knowledge and candidates with less experience may be considered for lower-level positions.

We thank all applicants in advance however only individuals selected for interviews will be contacted.

ONEC Group accepts resumes via online application at <http://onecgroup.com/careers/> or via email at hr@onecgroup.com. Please only submit in Word format.
