

Excavation Operator (360) – Project Based

Build More Than Just A Career

Our people are our success. They are also adventure-seekers and difference-makers who are committed to a shared vision – to offer the best of the best in project delivery services. When you join ONEC, you join a community that seeks to help you build more than just a career. You will build working relationships and partnerships that become friendships, build ideas that become realities and build skills that help you grow personally and professionally. We want you to love what you do so that together we can do great things.

About ONEC

ONEC Group has been building projects in Western Canada for over 20 years. As an EPC and EPCM provider, our services include multidisciplinary project services including project & construction management, engineering & design, procurement & logistics, geomatics & survey, fabrication & construction, mechanical & electrical installation, and scaffolding & insulation. We are the only mid-sized firm in our industry that offers this collective expertise under one roof. Because of our company's size, clients get to know our team and always work with the same people, resulting in stronger working relationships and efficiency. We are agile in our approach to project delivery because we are able to pivot quickly and adjust our standard processes to suit specific clients' needs. ONEC believes in local leadership and we engage top talent from the communities we work in. We understand that local knowledge and presence are key to not only our overall business success but the economic success of the communities we work in.

- Operating equipment (loading trucks, cut to fill, trenching, ditching, sloping, and hauling).
- Conducting pre-job equipment inspection checklists before beginning work.
- Performing all tasks in a safe manner.
- Reporting all incidents, near-misses, and damage of the equipment to the Site Supervisor.
- Identifying and mitigating hazards.
- Dependable and reliable.

Our Ideal Candidate

- 3 years of similar work experience (5 years for Operators).

- Experience working in civil earthworks is preferred.
- Must possess a valid Driver's License.
- Ability to work in a team environment.
- Strong written and verbal communication skills
- Must have valid CSTS 2020, WHMIS 2015, and Ground Disturbance.

Application Instructions

ONEC Group is an equal opportunity employer. Positions are filled by means of open competition where the selection is based on job-related skills, training, experience, and suitability. Final candidates will be asked to provide references. The results of the reference check must be acceptable to ONEC Group. We also consider different experience levels and knowledge and candidates with less experience may be considered for lower-level positions.

We thank all applicants in advance however only individuals selected for interviews will be contacted.

ONEC Group accepts resumes via online application at <http://onecgroup.com/careers/> or via email at hr@onecgroup.com. Please only submit in Word format.
