

### **Build More Than Just a Career**

Our people are our success. They are also adventure-seekers and difference-makers who are committed to a shared vision – to offer the best of the best in project delivery services. When you join ONEC, you join a community that seeks to help you build more than just a career. You will build working relationships and partnerships that become friendships, build ideas that become realities and build skills that help you grow personally and professionally. We want you to love what you do so that together we can do great things.

### **About ONEC**

ONEC Group has been building projects in Western Canada for over 20 years. As an EPC and EPCM provider, our services include multidisciplinary project services including project & construction management, engineering & design, procurement & logistics, geomatics & survey, fabrication & construction, mechanical & electrical installation, and scaffolding & insulation. We are the only mid-sized firm in our industry that offers this collective expertise under one roof. Because of our company's size, clients get to know our team and always work with the same people, resulting in stronger working relationships and efficiency. We are agile in our approach to project delivery because we are able to pivot quickly and adjust our standard processes to suit specific clients' needs. ONEC believes in local leadership, and we engage top talent from the communities we work in. We understand that local knowledge and presence are key to not only our overall business success but the economic success of the communities we work in.

- Must be receptive to working with short notice for call outs, nights, and overtime upon client request.
- Operating machine tools such as lathes and grinders to fabricate parts required during overhaul, maintenance, or set-up of machinery.
- Cleaning, lubricating, and performing other routine maintenance work on machinery.
- Assembling machinery and equipment prior to installation using hand and power tools and welding equipment.

### **Our Ideal Candidate**

- Trade Journeyperson or Apprentice Certificate.
- Knowledge and experience of industry related safe work practices.
- Previous industrial & Shutdown experience considered an asset.
- CSTS 2020, WHMIS 2015, ESC H<sub>2</sub>S Alive, ESC Fall Protection.
- Able to work well in a team environment.
- Organized and self-motivated.
- Must be capable of physical labour.
- Good written and oral communication skills.
- Attention to detail and the ability to meet quality standards.
- Organizational and time management skills.

### **Application Instructions**

ONEC Group is an equal opportunity employer. Positions are filled by means of open competition where the selection is based on job-related skills, training, experience, and suitability. Final candidates will be asked to provide references. The results of the reference check must be acceptable to ONEC Group. We also consider different experience levels and knowledge and candidates with less experience may be considered for lower-level positions.

We thank all applicants in advance however only individuals selected for interviews will be contacted.

ONEC Group accepts resumes via online application at <http://onecgroup.com/careers/> or via email at [hr@onecgroup.com](mailto:hr@onecgroup.com). Please only submit in Word format.
